

Jaclyn graduated from the University of Manitoba in 2013 with a Bachelor of Science degree, and in 2015 with her Master of Physical Therapy. She currently works part time at the rural clinic of Pembina Valley Physiotherapy and as a casual employee at the Grace Hospital and St. Boniface Hospital. In addition to her involvement on the Manitoba Physiotherapy Association Communications Committee, Jaclyn is a member of the College of Physiotherapists of Manitoba Legislative Committee. She has taken several post-graduate courses, most recently completing her certification in Acupuncture. In her free time, Jaclyn enjoys spending time with family and friends, running, yoga, soccer and basketball.
