**Position Summary:** Under the direction of the Regional Manager of Allied Health, the Physiotherapist is responsible for the coordination and provision of physiotherapy services to clients in facilities and communities within the Interlake-Eastern Regional Health Authority (“IERHA”). In collaboration with the multidisciplinary team and external agencies/ services the physiotherapist is primarily involved in the assessment, intervention, planning and implementing a program for the client, discharge planning and follow up of referred clients. In addition, the Physiotherapist is involved in education of clients, family, other health care staff and auxiliary staff with regard to physiotherapy treatment, the management of the client’s health problems, and preventative techniques. The primary goals are the promotion of health and the preservation or restoration of function needed by individuals of all age groups and with varying health problems to maintain or increase independence within their home or community. The Physiotherapists’ practice will be based upon a client centered approach that emphasizes the involvement of clients in defining what optimal health and functioning means to them. The position of Physiotherapist functions in a manner consistent with, and supports the Mission, Vision and Values of the Interlake-Eastern Regional Health Authority.

### **Qualifications:**

- Baccalaureate of Medical Rehabilitation or Master’s Degree in Science Rehabilitation required or equivalent education from an approved University program.
- Current registration and a member in good standing with the College of Physical Therapists of Manitoba required.
- Eligible to practice and maintain licensure in Manitoba.
- Membership with the Canadian Physiotherapy Association preferred.
- Knowledge of computer systems and current and related software applications.
- Demonstrated ability to participate in a program of rehabilitation medicine involving institutional and community therapy services.
- Skilled ability in the assessment, identification, and treatment of clients of varying ages and with diverse diagnoses.
- Strong organizational, interpersonal, problem solving, verbal, and written communication skills.
- Ability to build and maintain positive working relationships and to work in a multi-disciplinary team based working environment.
- Excellent organizational and prioritization skills.
- Ability to work independently in a self-directed manner and as a team member in a variety of environments.
- Mental and physical health to meet the demands of the job required.
- Province of Manitoba Class V driver’s license and access to a vehicle to provide service within the IERHA required.
- Given the cultural diversity of our region, the ability to communicate in more than one language would be considered an asset.
- Proficiency of both official languages is essential for target and designated bilingual positions.
- Completes and maintains a satisfactory pre-employment security check.
- Satisfactory employment record.
