

Physiotherapists

St. Joseph's Care Group in Thunder Bay ON is currently recruiting for Physiotherapists to join our team.

St. Joseph's Care Group is known for living its values of Care, Compassion and Commitment. We are continuing a tradition that began more than 130 years ago of meeting the unmet needs of the people of Northwestern Ontario. We believe in investing in our people, and offer learning and development opportunities, continuing education, competitive compensation, and a welcoming workplace culture.

St. Joseph's Care Group offers a wide range of programs and services in addictions & mental health, rehabilitative care, seniors' health as well as contracted services within acute care. Qualified candidates must be registered or eligible for registration with the College of Physiotherapists of Ontario and have proven assessment, communication and teaching skills. We welcome experienced practitioners as well as new graduates to consider joining the staff of a progressive values-driven organization.

About Thunder Bay:

Nestled on the pristine shores of Lake Superior and surrounded by the beauty of nature, Thunder Bay, with a metropolitan population of 120,000, offers a perfect balance of urban and rural life. With world class sailing, boating, camping, hiking, and cycling in the summer months, and downhill and cross country skiing in the winter, Thunder Bay has something to offer healthy living enthusiasts throughout the year. Affordable housing, short commutes, and a vibrant, culturally diverse community with access to fine dining and the arts, make this community a wonderful place to live, work, and raise a family. Thunder Bay has excellent schools, including publicly funded French language, French immersion, and International Baccalaureate programs, as well as Confederation College and Lakehead University. Thunder Bay is home to the west campus of the Northern Ontario School of Medicine and the newest Law program in Ontario. Thunder Bay also offers innovative opportunities through the Thunder Bay Regional Research Institute.
